PAPER MOISTENER.—A new invention for moisening postage stamps, envelopes, sheets in a copying book, counting bank bills, &c. The common way of moistening stamps with the tongue is very disagreeable and inconvenient; also the usual way of wetting sheets in a copying book, by using a brush which has to be dipped in water, is inconvenient and very difficult to give paper an even moisture, which is very desirable for copying letters. This article obviates these difficulties, besides being useful for various other purposes. It is also perfectly simple and cheap, and must come into general use.—[Boston Post, Sept., 1854.

It will not be ambitious to commend itself to the people by a blind flattery of their rulers. The SENTINEL will maintain, as a fundamenta truth of that great party, that the States formed the Union between them by the ratification of the Constitution as a compact; by which, also, they created the Federal Government, and delegated to it, as their common agent, the powers expressly specified in it, with an explicit reservation of all others to the States, or to their separate governments. The exercise of any powers beyond these thus delegated, is, therefore, an usurpation of the reserved authority of the States by the agent of their own creation.

The SENTINEL will uphold and defend the Union upon the basis of the rights of the States—under the Constitution—and thus by sedulously guarding the latter, it will the more effectually strengthen and perpetuate the former. tended by th Constitution.

In respect to the internal administration of the Government, the Sentiner will sustain the settled policy of the L mocratic party. It will labor to inculcate this ci dinal doctrine of Democratic in ternal policy:—i at this Government will best promote the freed in and presperity of the people of the States, by being less ambitious to exercise power, and more anxious to preserve liberty; and by leaving to the individual States the management of all their domestic concerns—while it contents itself with guarding the confederacy from external violence, and directing the foreign policy of the country to the promotion of the common interests, and defence of the common rights, and honor of the States composing it.

The Sentiner will advocate such a progressive foreign policy as will suit itself to the exigencies, THE SONS OF THE SIRES, A HIStory of the Rise, Progress, and Destiny of the American Party, and its probable influence on the next Presidential election, to which is added a Review of the Letter of the Hon. Bill for Injunction. In the Circuit Court in the District of Columbia, sitting in Chan-

James Guthrie, Amos Adams, Isaac N. Comstock,

THIS bill of complaint in the above stated cause states, that the said complainant, on or about the twenty-fifth day of November. A. D., 1551, entered into a contract with the United States government, agreeing to supply the government with five million of brick for the extension of the Capitol. That said complainant, on or about the 12th day of January. A. D. 1552, assigned to one Samuel Strong, the said contract; the said Strong agreeing and promising to pay to said complainant the sum of tour thousand dollars.

The bill further states that the said Strong, on or about the 2d day of February, A. D. 1852, assigned the said contract, or one moiety thereof, to Amos Adams and Isaac N. Comstock, of the city of Albany and State of New York, and received from THIS bill of complaint in the above stated cam

Amos Adams and Isaac N. Comstock, of the city of Albany and State of New York, and received from the said Adams and Comstock their obligation or promise for the payment of four thousand dollars, or thereabout, as well as a lien of thirty per cent. on the moneys to be paid by the government on said contract, until the said sum of four thousand dollars should be paid which lien said Strong duly assigned to the complainant in this bill. The bill further states that sometime in the year 1852, the said Amos Adams and Isaac N. Comstock assigned their right, title, and interest in the contract to one Samuel Byington as partner and associate of Richard Wallach, the said Byington and Wallach having notice of the said lien of thirty per cent, on the moneys to be paid by the government

on said contract.

The object of said bill is to obtain an injunction against said defendants inhibiting the said James Guthrie, and all persons acting for him, from paying the said moneys to any of the defendants, or their representatives, and the defendants and their representatives from receiving the said moneys until the sum of thirty-six hundred dollars, and the interest thereon, should be paid to the complainant or his legal representatives, and such other and further decree as to this court shall seem right and proper. The said Amos on said contract. court shall seem right and proper. The said Amos Adams and the said Isaac N. Comstock, named in the caption and body of the bill, still residing in Albany as aforesaid, beyond the reach of the pro-

cess of the court.

It is, therefore, by the court ordered this 1st day of January, A. D. 1855, that the matters and things stated in the aforesaid bill of complaint against the defendants, shall be taken for con-fessed against the said Amos Adams and Isaac N. Comstock, and such decree made in the pre-

prayed for by the complainant should not be passed by the court.

Provided the complainant cause this order, and the substance and the object of the said bill of complaint, to be published in some newspaper in the city of Washington, twice a week for six successive weeks, the first insertion thereof to appear at least four months before the second Monday in May next.

United States Patent Office,

August 25, 1854.

Six. In reply to your letter of this date, asking "if any patent has been granted to W. D. Porter, dated 22d August, 1854, or at any other time, or dated 22d August, 1854, or at any other time, or to any other person or persons, securing to him or them "the exclusive right of making gas from smood," and whether any such claim was made by W. D. Porter, under his application for a patent, which letters patent were issued bearing the above date, you are informed that W. D. Porter's claims are believed to be c nfined to his apparatus; and, further, this office is not aware that a patent has been granted heretofore for the exclusive right of making gas from wood. It would, however, be unjustifiable to expect me to make an extended investigation to answer your request.
